

Bilingual classes in Marttilan koulu – teaching in English and in Finnish

It is possible to apply to the first grade at Marttilan koulu/bilingual classes and study both in English and in Finnish. There is an aptitude test for the preschoolers and after that students will be selected for the upcoming first grade. The students will continue their studies with the same class until year nine; years 1-6 in Marttilan koulu and years 7-9 in Seinäjoen Lyseo.

Teaching method:

CLIL = Content and Language Integrated Learning
